To: All Members	Revised: January 1, 2019
Ordered By: Alexander C Carrow, Fire Chief	
Subject: <b>MISCELLANEOUS AND ELECTRICAL FIRES</b>	

This guideline shall take effect immediately and shall remain in effect until superseded.

**Purpose:** To establish procedures for operations on the scene of a electrical fire or miscellaneous alarm.

**I. RESPONSE**

**When responding it will be a cold response.**

While responding to the scene, it will be the officers' responsibility to watch for downed power lines or dangerous situations.

**II. ON SCENE**

Upon arrival on scene, the following will take place:

1. The OIC will position apparatus a safe distance away from downed wires.
2. Emergency lighting on the apparatus will be activated for safety.
3. We will not handle any downed wires.
4. The OIC will secure the area of the down wire, to prevent anyone from getting close to it
5. The officer will notify Kent Center to notify appropriate service provider
