

**CLAYTON FIRE COMPANY NO.1 INCORPORATED**  
**STANDARD OPERATING GUIDLINE # IV-6**

Date of Effect: January 15, 1996	To be reviewed: January, 2020
To: All Members	Revised: January 1, 2019
Ordered By: Alexander C Carrow, Fire Chief	
Subject: <b>RIDING OF APPARATUS FOR INJURED MEMBERS</b>	

This guideline shall take effect immediately and shall remain in effect until superseded.

**Purpose:** To establish a guideline for members of this department for riding the apparatus while injured or on workman's compensation.

**I. REQUIREMENTS**

It is the responsibility of each member, to notify the chief of the department, at the time that he or she is on limited or light duty, sick leave, or has any medical problem that could limit your ability to perform the normal tasks of the fire service.

This is not restricted to only injury or illness caused in the line of duty of the fire service.

**II. GUIDELINE**

At the time of notification of any illness or injury, the fire chief shall determine what status you will be placed on with regard to riding of the apparatus or other duties around the fire house.

If placed on limited or restricted duty, you will need to show proof that you have been released by a qualified physician to return to full active status.

Return to full active status shall be determined by the fire chief.
