

Welcome to the Dover Fire Department

JOIN THE MEN AND WOMEN THAT PROUDLY PROTECT THE CITIZENS OF THE CITY OF DOVER

Our Department:

The Dover Fire Department provides fire protection and rescue services to the City of Dover and its Kent County neighbors through mutual aid. We are 100% volunteer, the only remaining State capital to be protected by a volunteer fire department. The Dover Fire Department is dispatched via a stand alone, state of the art, 911 Center housed within the Department. The Department protects over 22 square miles and over 35,000 citizens. DFD operates five engines, two ladder trucks, a heavy rescue, brush truck, foam unit, and marine unit from our two stations. The Dover Fire Department also augments the Kent County Special Operations Team. Members are highly trained in the mitigation of high angle rescues, confined space rescues, structural collapse and trench collapses.
