### LIGHT THE NIGHT FOR FALLEN FIREFIGHTERS

Landmarks and Fire Departments Across the U.S. Lit in Honor of Our Fallen Firefighters  
September 26 – October 3, 2021

Every October, the National Fallen Firefighters Foundation sponsors the National Fallen Firefighters Memorial Weekend, the official national tribute to those firefighters who died in the line of duty during the previous year.

In 2017, the Foundation created Light the Night for Fallen Firefighters to recognize the 25th anniversary of the National Fallen Firefighters Foundation and the National Fallen Firefighters Memorial Weekend. Since then, Light the Night for Fallen Firefighters has expanded to include fire departments and families lighting their homes in red.

As dusk turns to dark, landmarks, homes, fire service organizations, and businesses across the country will again glow in respect from September 26 – October 3, 2021, to the fallen and their families.

If you would like to light your home in red for Light the Night for Fallen Firefighters, you can buy red bulbs online using our Amazon Associates link\* or contacting the following local business that have pledged to have supplies available with favorable price considerations.

The Indian River Volunteer Fire Company has contacted the Delaware Department of Transportation (DELDOT) to solicit their assistance by lighting the landmark – Indian River Inlet Bridge in red for the period of September 26<sup>th</sup> thru September 30<sup>th</sup> and this request has been approved.

\* Your purchase through the Amazon Associates program will benefit the programs of the National Fallen Firefighters Foundation to honor America's fallen heroes, assist their families, and prevent firefighter deaths and injuries.

Our Fire Prevention Co-chairs – Robert Marmor and Roxanne Bammer are soliciting businesses, organizations, and residential households across our fire district to glow in respect of fallen firefighters and their families during the time period of September 26<sup>th</sup> thru October 3, 2021.

We, the Indian River Volunteer Fire Company, ask you to please consider joining this effort to honor and reflect on the sacrifice of America's fallen heroes by lighting up red during the National Fallen Firefighters Memorial Weekend.

In closing, Indian River believes this would be an exceptional tribute to all fallen firefighters but especially Delaware's Fallen Firefighters!

Thank you for your consideration.
