2024
Annual Fund Drive

Dear Community Members, Neighbors & Friends,

As the Indian River Volunteer Fire Company excels past its platinum jubilee anniversary, we take this opportunity to express our gratitude and appreciation for your continued support and generosity shown to our organization in the past.

We find ourselves in a unique position with unprecedented growth of the residential and commercial communities which demand more of our fire and rescue services. These calls have included vehicle accidents, vehicle fires, fire alarms, carbon monoxide alarms, vehicle extrications, rescue assist calls, and water rescue emergencies as well as assistance to our mutual aid partners.

Our firefighter ranks remain completely 100% volunteer as we begin our 71st year of service. With your generous donation, we have been able to purchase additional equipment and training to help assist our community.

As our community continues to evolve, please know that the Indian River Volunteer Fire Company is ready to provide the necessary emergency response needed to protect our fire district and your property. However, our organization needs your support to assist with our operational and organizational needs and this is why we submit this fund drive request.

We ask that you consider making a financial contribution to assist our operational objectives. Every donation makes a difference regardless of the dollar amount. Your financial contribution allows us to continue operating as a 100% volunteer fire and rescue organization.

The Indian River Volunteer Fire Company would be nonexistent without you!

Respectfully submitted,

The Officers and Members of the Indian River Volunteer Fire Company
