In accordance with Local Government Code 352.016, all Fire and Life Safety Inspections in unincorporated Montgomery County must be performed by a Fire Inspector. Code references are used from the International Fire Code 2012 Ed. And NFPA 101 2009 Ed. The Montgomery County Fire Marshal's Office reserves the right to make any changes or errors overlooked in the inspection process, and shall require the corrections of errors in construction documents, other data, or on-site installation to be fixed.
