This year's Parade line up area is on the south side of **Rehoboth using State Road, Country Club Drive and Munson Street**. You should enter the parade staging area from State Road off Coastal Highway. **PLEASE DO NOT USE REHOBOTH AVE Thank You!!**

Units coming from the North should proceed south over the Coastal Highway Canal Bridge and turn right at the bottom of the bridge. Proceed under the bridge to the staging area.

Units coming from the South turn right before the Coastal Highway Canal Bridge onto State Rd and proceed to the staging area.

**EQUESTRIAN GROUPS ONLY** should enter from Rehoboth Avenue and make the first right after the canal bridge onto Canal St. and park trailers in that area and we will direct you to bring the horses up the block to the staging area shortly before we start the parade.

**Please attempt to be in the staging area between 4:30 pm & 5:45 pm** as the parade will begin promptly at **6:00 pm**. **Walking Groups are encouraged to meet at an area outside the staging area and arrive at the staging area as a group. Drop off for walkers will not be allowed to enter State Road from Rehoboth Avenue.**

The attached spreadsheet shows line up numbers. More specific locations will be given when you come into the lineup area the night of the parade. There will be a sign with your line up number on the side of the street for all units. Fire Department Personnel will direct you accordingly.
